*** Useful Information ***

Parental Responsibility: Please only select yes if the person is named on the child's birth certificate, or has been awarded Parental Responsibility by the Courts. Grandparents and Step Parents do not automatically have Parental Responsibility.

Emergency Contact 1st / 2nd / 3rd / 4th / 5th: We ask you to rank your child's Emergency Contacts in the order you would like us to contact them. For example, Daddy may work away and therefore Granny should be phoned before Daddy in an emergency as she would be closer. We will phone each contact in turn until we manage to reach someone to notify them of an emergency. You do not have to use all 5 options - there may be adults you are happy to collect your child that you would not want to be contacted in an emergency - this is absolutely fine.

Collection by Parents: Please be aware that, unless there is a court order prohibiting contact or collection, we will be legally obliged to release your child to their Parents. We have procedures to support Parents if they do not wish their Partner to have access to the children, but we have to comply within the legal requirements. Please speak to a member of the Nursery Management Team for further information.

Collection by Other Adults: You can choose whether or not other adults are permitted to collect your child. Please select Yes or No for any further adults listed on this form. **Please Note** - if you would like someone to collect your child, and they are not listed on this form, you will need to phone the Nursery to notify us and set a temporary password. If someone arrives to collect your child and they are not listed and we have not been notified, we will not release your child until we have had confirmation from you.

Collection Passwords: Please choose a password for each adult who will be collecting your child from Nursery. This could be an identical password for every adult, or this could be an individual password memorable for each specific adult e.g. Grandad's password is his favourite football team. This is so we can verify that each adult is authorised to collect your child.

I understand that Teddy Wilf's @ The Westgate has a duty to report child protection or Safeguarding concerns regarding possible child abuse or neglect to the Multi Agency Safeguarding Hub (MASH).
